STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on October 16, 2007:

REMARKS

An Examiner's Interview Summary Record (PTO-413) was attached with the Communication dated October 19, 2007.

During the interview, the following was discussed:

The after-final submissions were briefly discussed. Applicants reiterated the position that the specification teaches two separate embodiments of invention, one which relates to the use of samples, particularly blood, which are distant to the area of disease, and one which uses non-sequence based techniques. Applicants indicated further arguments regarding this issue would be provided and the examiner indicated that they would be considered. Applicants inquired as to the sufficiency of the Declaration, and the Examiner indicated that it has not been considered yet as it was not timely filed.
